Dear Mr. Gray,

This letter is to confirm your reservation for the use of the group camp area on June 21 – 23 2002. Should your plans change, please contact us at (513) 897-3055 so that we can clear the reservation book for another group who may wish to use the area. Enclosed is a park map to familiarize you with the area; please feel free to make copies for other members of your group.

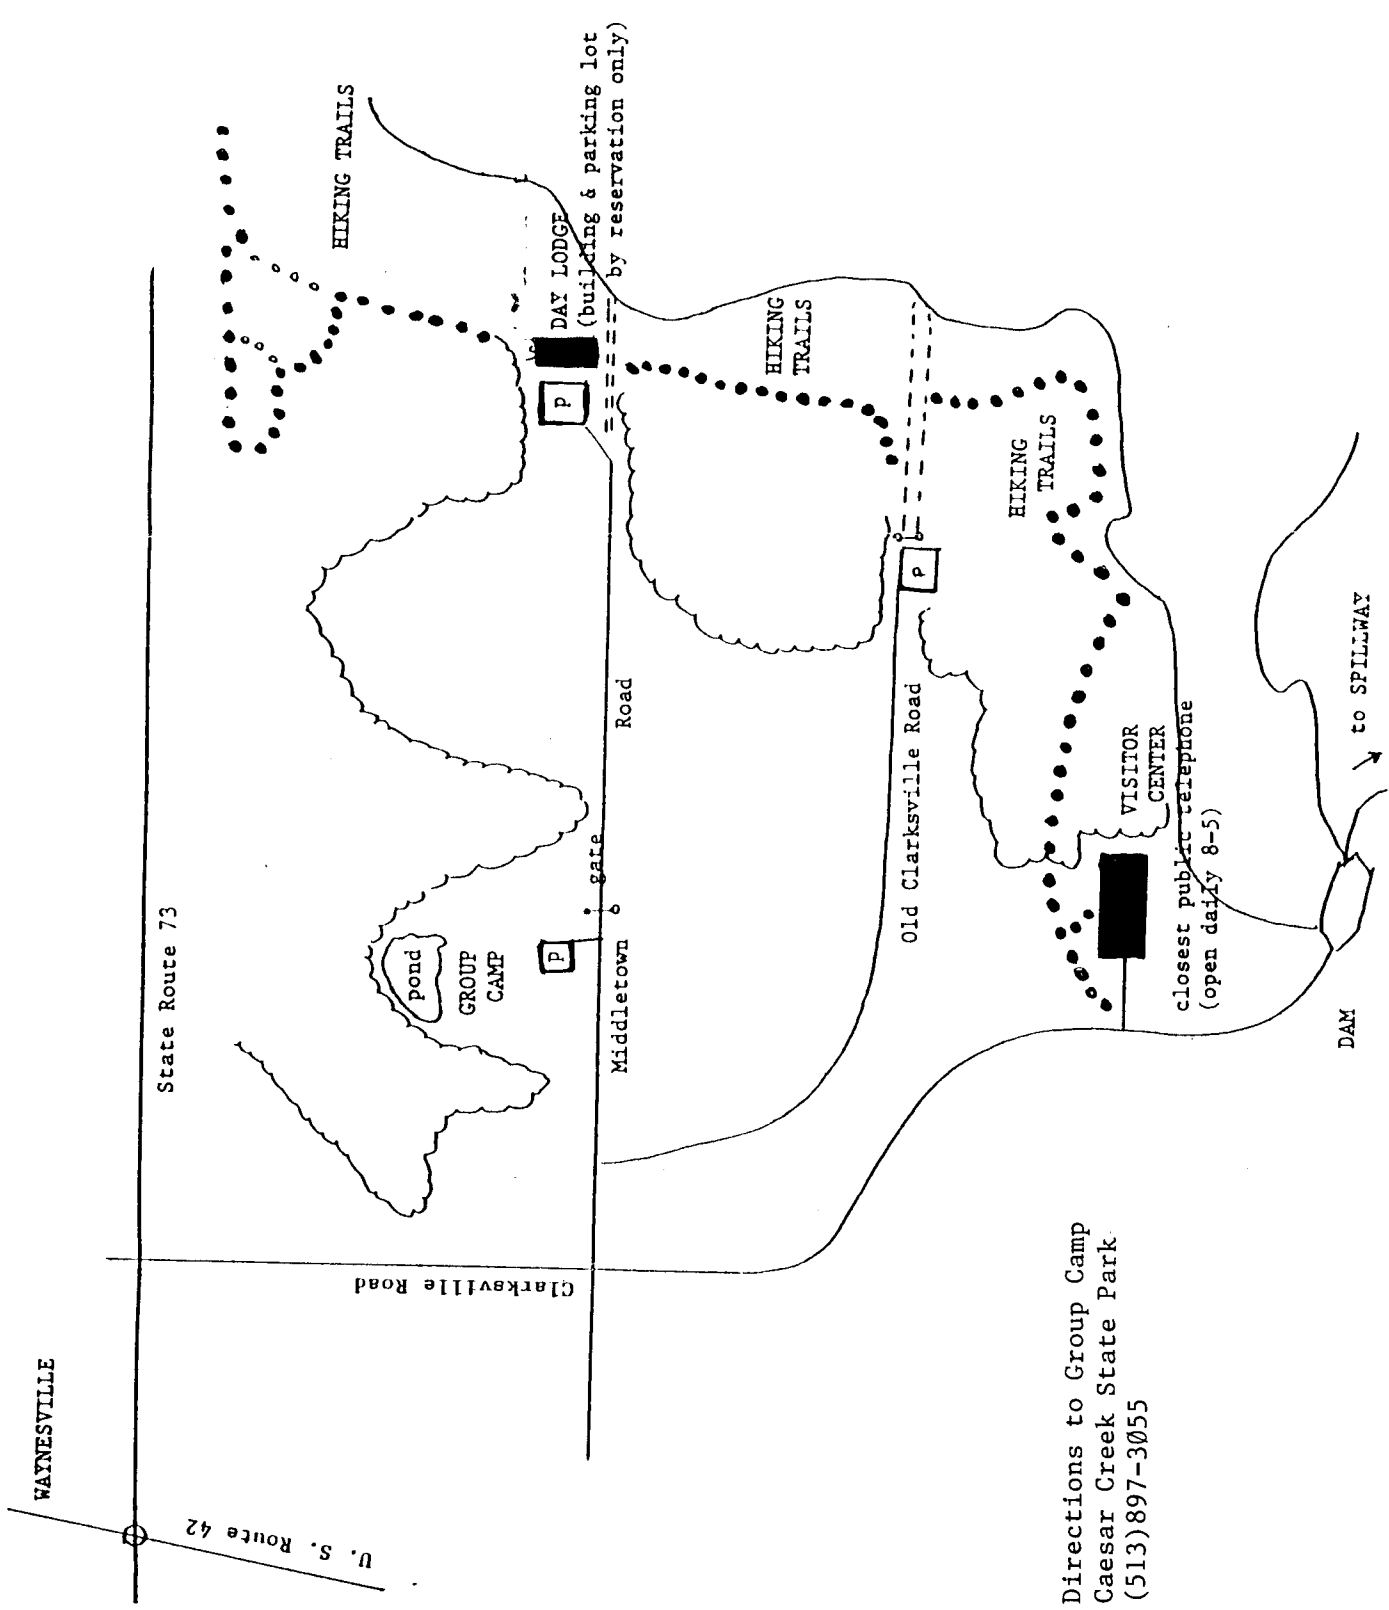

The group camp area is located near the Hopewell Day Lodge off Clarksville Road. The facilities are limited as there is only a port-o-potty and we recommend that you bring enough water for your groups needs. Depending on the time of year, there are areas on the park where you can replenish your water, but there is none in the immediate area. We also ask that you keep fires in the picnic grills or fire rings provided.

If you have any questions, please do not hesitate to contact us. We hope that you and your group have an enjoyable visit to Caesar Creek State Park.

Sincerely,

Alan Ferguson
